SUUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT 37 C.F.R. §1.98

Dear Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, the references listed on the enclosed Form PTO/SB/08A are submitted for consideration by the Examiner in the examination of the above-identified patent application.

The full consideration of the references in their entirety by the Examiner is respectfully requested and encouraged. Also, it is respectfully requested that the references be entered into the record of the present application and that the Examiner place his or her initials in the appropriate area on the enclosed Form PTO/SB/08A, thereby indicating the Examiner's consideration of each of the references.

The submission of the references listed on the Form PTO/SB/08A is for the purpose of providing a complete record and is not a concession that the references listed thereon are prior art to the invention claimed in the patent application. The right is expressly reserved to establish an invention date earlier than the above-identified filing date in order to remove any reference submitted herewith as prior art, should it be deemed appropriate to do so. Further, the submission of the references is not to be taken as a concession that any reference represents art that is relevant or analogous to the claimed invention. Accordingly, the right to argue that any reference is not properly within the scope of prior art relevant to an examination of the claims in the above-identified application is also expressly reserved.

This disclosure consists of references listed on the attached Forms PTO/SB/08A. Copies of the foreign patents are enclosed.

This supplemental information disclosure statement is being submitted prior to a first action on the merits, so no fee is believed to be due.
